

## TOMORROW CENTER ANNUAL REPORT

### VISION STATEMENT

**The Tomorrow Center meets the academic, emotional and social needs of individual students while preparing them for a successful transition to a better tomorrow.**

### MISSION STATEMENT

**The Tomorrow Center respects and reveres individuality while reaching towards each child's unique potential. Our purpose is to build a strong academic and social foundation for all students enabling them to communicate and contribute effectively and responsibly within their community.**

### MOTTO

**FIRST CHOICE FOR A SECOND CHANCE**

### GRADUATION

The Tomorrow Center graduated 17 students in the class of 2021.

## PARENT AND COMMUNITY INVOLVEMENT

**PARENT CLUB:** Come join us monthly for our **parent clubs** starting in September and every month after until April! We always provide a free dinner, a craft, and an educational component. Students are welcome to attend with their parents and enjoy the good food, fun activities, and socialize with all.

**COMMUNITY FAIR:** The Tomorrow Center also offers our annual Community fair that brings outside agencies to the Tomorrow Center for parents and community to build connections with agencies from within our Community.

**COMMUNITY ADVISORY:** The Tomorrow Center has a Community Advisor Committee that meets quarterly to provide support for the Tomorrow Center.

## MENTAL HEALTH:

The Tomorrow Center's focus is working on student's mental health. Unfortunately, Covid-19 happened so we were unable to have our We Care Conference. However, we did have our We Care Groups all year. To combat the trauma that many of our students have faced in their lives, we have developed the **STUDENT ACTIVITIES:**

- Basketball
- Volleyball
- Cheerleading
- D & D Club
- Backwoods Bandits
