

Education Program from Prevention and Relocation of Missing Children

The Tomorrow Center ("School") utilizes materials from the Ohio Attorney General Missing Children Clearinghouse and resources from the **National Center for Missing and Exploited Children** in order to educate students, parents and community members about the risks of abduction and exploitation of children. Many resources utilized for educational purposes can be found at:

To support efforts to prevent abduction and to recover missing children, from time to time, the School may cooperate with legal law enforcement agencies in the voluntary fingerprinting of students enrolled at the School. Parents are also encouraged to maintain a copy of the **fingerprints** of all children living in the home for purposes of identification.
